## School Description

DeLaveaga Elementary School is located on the east side of Santa Cruz near DeLaveaga City Park. The highly skilled teaching staff has many years of professional experience. We celebrate a diverse world in which children's languages, cultures, talents and dreams, are fostered and valued. We support a strong, standards-based educational program supplemented by the arts and science, which enables all children to reach their potential.

DeLaveaga hosts a K–5 Spanish Two Way Immersion program (Dos Alas). This academically rigorous program supports all students in achieving high levels of bilingual proficiency and literacy. Students in our program develop the language skills and cultural competence necessary to fully engage in the local community and in the greater multicultural world.

DeLaveaga uses Eureka Math, a curriculum that is well aligned with the Common Core State Standards. In addition to our continued implementation of a school-wide research-based Positive Behavior Intervention and Supports (PBIS) program, we have introduced students to our new WITS program which assists students in solving both behavioral and academic issues. In addition to our Eureka math program, we use the Benchmark Workshop language arts program, along with FOSS science. Our Life Lab Science program is a garden-based science program that supplements the FOSS materials.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.

### Major Achievements

DeLaveaga students consistently score well on state-level testing. Student scores in English Language Arts and Mathematics are at or above the state average. Our school has also received the Gold Ribbon Award from the State of California Department of Education for our Response to Intervention Program that supports students in both English and Spanish.

DeLaveaga's has an active Parent Teacher Club (PTC) that raises more than \$90,000 annually to support classroom learning. The PTC provides additional music/dance instruction for kindergarten through third grade as well as stipends for our teachers to facilitate a student council. All students receive weekly art instruction funded by a district parcel tax. Students in third through fifth grade receive music instruction weekly through the District's program.

The Biliteracy Award, which recognizes language proficiency in both Spanish and English, is awarded to a number of our 5th graders each year.

### Focus for Improvement

Classroom teachers evaluate students' literacy and mathematics skills regularly. This information helps identify which students that require additional services during the school day or after school (Homework and Intervention Support). English Learners received extra support toward developing proficiency in reading, writing, listening and speaking (LISTOS program).

Students in grades three through five also take the State SBAC test. This assessment provides a statewide measure of school progress. DeLaveaga students consistently perform well on state standardized tests and on local measures of student achievement.

Our focus is on supporting students' proficiency in writing and math as we implement the Common Core State Standards.

### Leadership

This is Robert Greenlee's 4th year as DeLaveaga's principal. Prior to coming to DeLaveaga, Mr. Greenlee was the Principal at Martin Luther King Jr. Elementary School for four years and has over 19 years of administrative experience and 30 years as an educator.

DeLaveaga's teacher leadership team meets monthly to plan professional development and support grade level team collaboration. Grade level teams meet regularly (up to once a week) to analyze student data and make recommendations for best practices that are aligned with the district goals for student achievement. The School Site Council (SSC), Parent Teacher Club, and our English Language Advisory Committee (ELAC) play key roles in shaping our students' educational experience.

- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

#### School Facility Conditions and Planned Improvements (Most Recent Year)

De Laveaga Elementary School was originally built in 1969 and sits on nearly 10 acres. The campus expanded the parking lot using bond money. Upcoming projects for the campus using bond money include adding shade structures, replacing the HVAC system, improving the technological infrastructure, and removing portable classrooms.

#### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### **CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard**

<b>ELA</b>	55	N/A	53	N/A	50	N/A
<b>Math</b>	46	N/A	46	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

### Opportunities for Parental Involvement (School Year 2020-21)

DeLaveaga parents are very involved as volunteers in classroom activities and field trips. Our School Site Council approves the school's annual plan and budget. Parents also participate on the English Learner Advisory Committee, which supports our English Learners, and the Parent Teacher Club which helps plan for different enrichment and intervention opportunities for our students and provides funding for these purposes. We have recently revisited and updated our School Vision and Values, and are working on creating a school-wide focus that prepares students to become Global Ambassadors.

To become more involved, please call or visit the school office at (831) 429-3807.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan (School Year 2020-2021)

Accident rates on campus are very low. The staff works together to ensure that the site is safe, clean, and orderly. We hold monthly safety meetings, and provide safety information at our staff meetings. In addition, we work with our School Resource Officer to train staff on safety procedures, such as lockdown and evacuation drills. All gates are locked during the school day, and all visitors are expected to check in/sign-in with the office and wear a name tag while on campus.

With the direction of our School Safety Committee and input from all parent groups, the Comprehensive Safe School Plan is revised annually. In February of 2020, the School Site Council approved our current Safe School Plan, which includes emergency procedures. In addition, key members of the Safety Committee, and Incident Command Team attend annual district-wide training in Emergency Response Guidelines and Disaster Procedures.

Key elements of the Comprehensive School Safety Plan are:

- \* Goals for creating a Creating a Caring and Connected Community, and a place where All Students and Staff Safe
- \* DeLaveaga staff and students understand and consistently follow the school-wide behavioral expectations in the classroom as outlined in our PBIS - "The Dragon Way."
- \* Implement and monitor the PBIS behavior expectations and consequences with staff, students, and parents to support more engagement and safe interactions on the playground at recess and lunch.
- \* Disaster Procedures and Emergency Response Guidelines
- \* Established Incident Command System

The full Comprehensive School Safety Plan can be viewed on the school and SCCS District Websites.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.7	0.6	0.8	1.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.4	1.8	N/A
Expulsions	0.0	0.06	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

### Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	530

\*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

### Student Support Services Staff (School Year 2019-2020)

Title	Number of Full-Time Equivalent (FTE)
Counselor (Social/Behavioral or Career Development)	1
Library Media Teacher (Librarian)	1

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	5-6	5-6	9-10

From 2017 to 2020, teachers have participated in monthly after school staff development activities in Integrated ELD, Science, and the use of technology and instructional applications (Lexia, iStation, Zearn, etc.) to improve instruction and student performance, both in person and during Distance Learning. Professional development activities are planned and implemented by the teacher leadership team (SCIL). The focus for 2017-18 was math, in 2018-19 it was Integrated ELD and Content Area Conversations, and for the 2019-2020 school year, we focused on our newly adopted ELA program, along with science, and the implementation of Google and Seesaw Classrooms. In 2020-21 our focus has been on providing teachers extensive PD in technology related programs and applications to support Distance Learning. These are all site and district PD activities.

In past years, teachers have attended full release day professional development days that were sponsored by our County Office of Education, as well as other professional organizations. All teachers participated in science (FOSS) PD in 2018-2019. In addition, grade level representatives attended a 4-day training on teaching Spanish Language Arts. In 2018-19, a team of teachers attended the CAFE Conference in Long Beach. In 2019-2020 all teachers participated in ELA implementation PD, and K-2 teachers were trained in F&P Assessment protocols. During monthly PD/PLC Days, as well as during parts of Staff Meetings, we have provided teachers and sometimes classified staff training in Google and Seesaw Classroom, Lexia, Zearn, iStation, RAZKids,

and Heggerty to name a few. Finally, our Reading Intervention teacher provided targeted PD in the new Reading Assessment - Pioneer Valley that was needed for Distance Learning.

We have provided SEH professional development to both classified and certificated staff. The various training sessions include, but are not limited to: Problem-solving Strategies (WITS), Calming Spaces, Zones of Regulation, Growth Mindset, Mindfulness, and a training in Handle with Care. We also updated our school-wide expectations (Dragon Way) to reflect the Distance Learning aspects of being Respectful, Responsible, Safe, and There and Ready!

Teachers continue to conduct ongoing parent-teacher conferences 3 times per year, to communicate and collaborate with parents to better support their children at school and at home.

#### Types of Services Funded

Our school uses specialized funding to provide extra instruction for students with specific needs. We use state and federal funds to provide additional reading support for students (SIPPS, Lexia, IStation, and RazKids). Revenue from the local parcel tax funds teachers for our art and music programs. Our generous parent community also provides funding for learning assistants, music and dance teachers, a Garden Coordinator, and after school enrichment classes.

We fund 4 Learning Assistants that support our school-wide reading intervention program. In addition, we also provide after school support for reading, writing, English Language Development, and homework support.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
